Slide Library 2026 Pharma Consulting

Standard slides for customer meetings and lead projects in Körber CI

Version 2.0 | October 2026

For internal use

Four steps from library to customer-ready presentation

Start here | How to use

1

Pick a storyline

Choose the meeting type and copy the recommended slide sequence.

2

Copy the slides

Use “Reuse slides” or copy & paste – the Körber design is kept.

3

Fill the content

Write the action title first, then replace all placeholders.

4

Check quality

One message per slide, source given, stickers removed.

CONVENTIONS

[Square brackets] placeholder – replace before use

Blue highlights the one thing that matters

Key takeaway box the so-what of the slide in one sentence

Speaker notes how to use and adapt each slide

Company introduction

02

C2 - For Internal

Turning potential into results

Helping life sciences organizations achieve meaningful business outcomes through consulting, technology and execution.

Backed by the strength of a global technology group

Company introduction | Körber group

The Consulting Team

- 25+ years dedicated to life sciences consulting
- Experts in GxP, MES, validation and digitalization
- Teams in Germany, Switzerland, France and the US

Körber Pharma

- 125+ years of pharma technology expertise
- Software, machinery, materials, packaging and consulting
- Trusted by global pharma and biotech leaders

Körber

- ~13,000 employees worldwide
- 100+ locations globally
- Digital, Pharma, Supply Chain and Technologies

One Körber: One Körber. One ecosystem. 25+ years of dedicated life sciences consulting expertise.

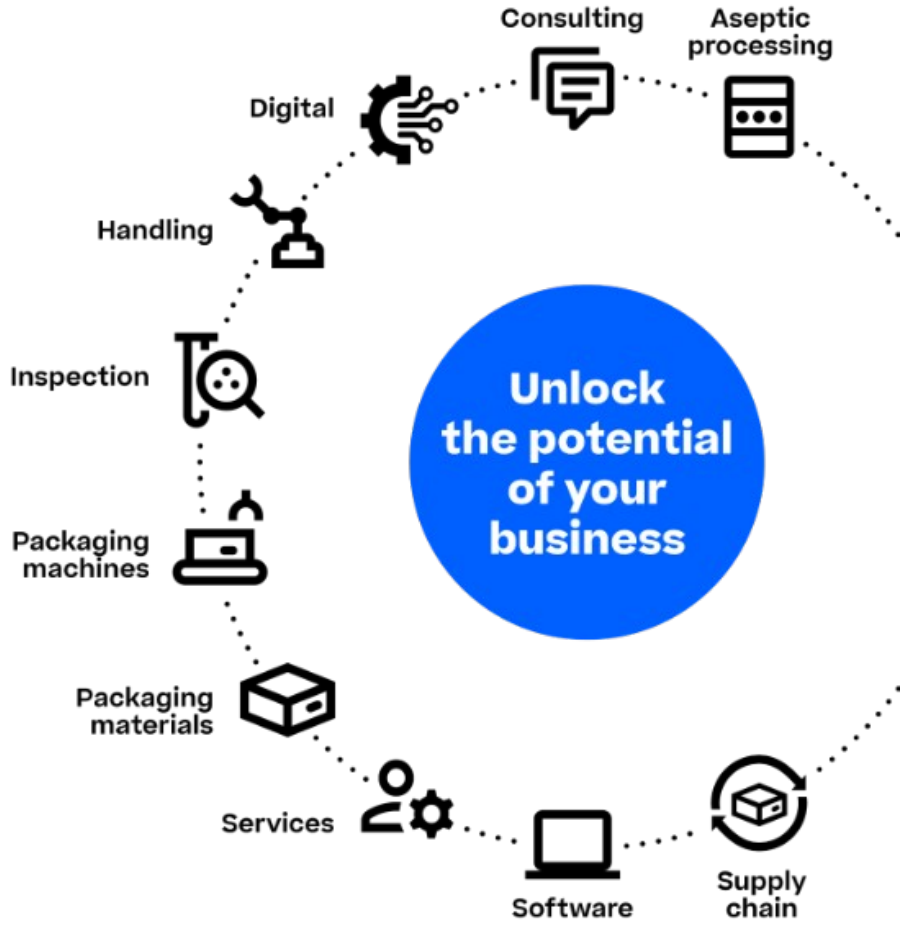

Source: Körber; figures as of [year]

C2 - For Internal

The Körber Pharma ecosystem unlocks the potential of your business

Few partners combine consulting, software, machinery, materials and operational expertise across the pharmaceutical value chain. Körber does.

- Access to expertise from development to supply chain
- Faster implementation with integrated solutions
- Value beyond stand-alone solutions

C2 - For Internal

Focused on outcomes, not deliverables

Company introduction | Our promise

Industry expertise

- Life sciences focused
- Regulated environments
- GxP excellence

Execution excellence

- Strategy through implementation
- Hands-on delivery
- Sustainable adoption

Business impact

- Performance improvement
- Faster time to value
- Measurable results

97%

of customers choose to work with us again

Our promise: Strategy you can act on. Execution you can trust.

C2 - For Internal

Where strategy, technology and execution come together

Company introduction | Portfolio

SIGNATURE OFFERINGS

Production Digitalization Strategy

Focus digital investments for maximum impact

Digital Platform Integration

Turn fragmented systems into one platform

Fast Track to Production

Accelerate the way to a high-performance line

AI Validation Framework

Validate and scale AI across your GxP organization

Life sciences expertise in action

CORE CAPABILITIES

Digital Excellence

Turn process insights into measurable improvements

System Integration

Implement and operate critical manufacturing systems

Machinery Consulting

Turn equipment investments into reliable operations

Quality & Compliance

Build quality systems that are inspection-ready

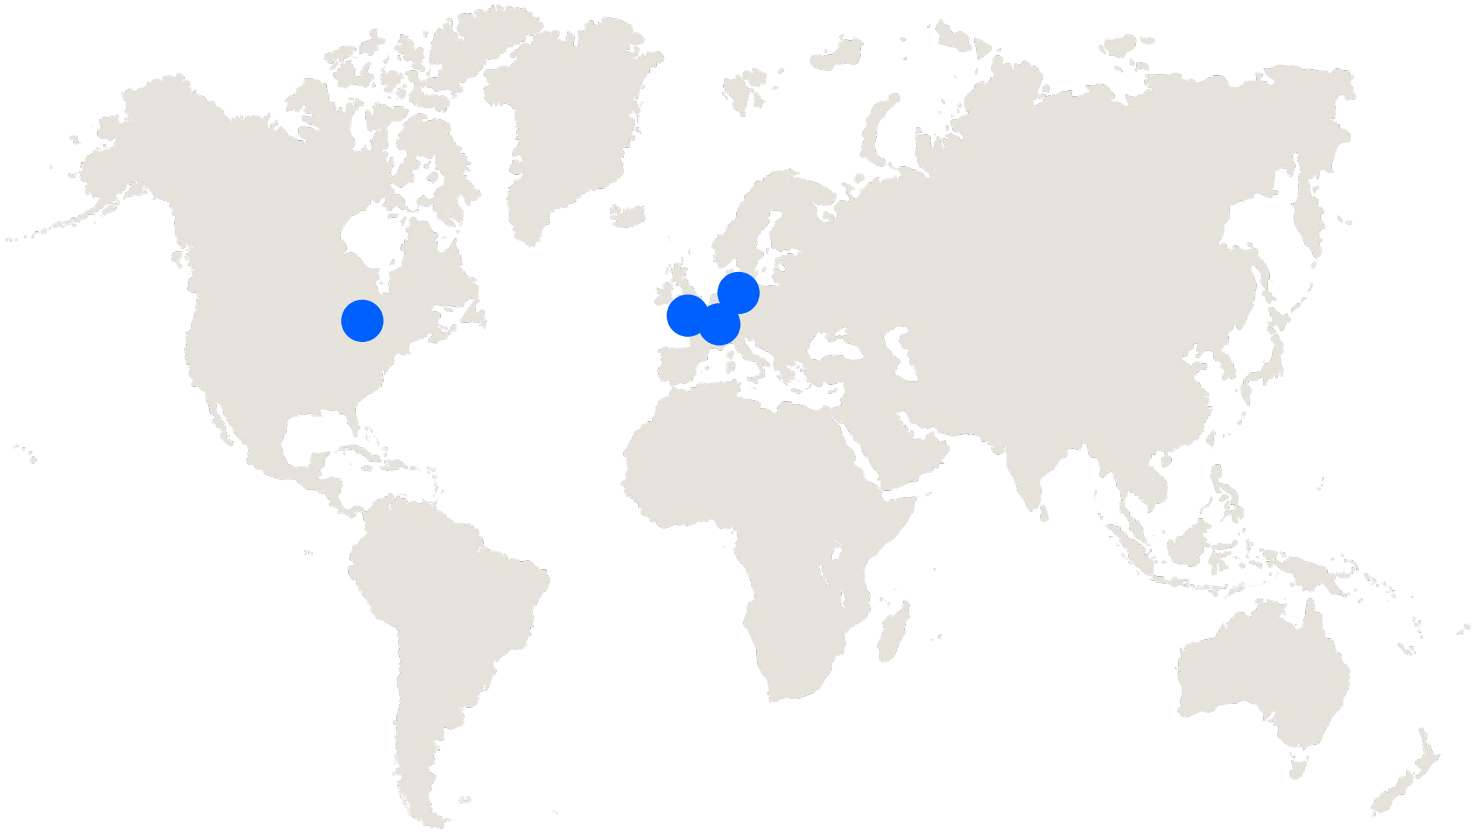

Project Management | Risk Management | Operations & Support
